Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

Regular review of student success planning, including review of Primary – Grade 5 achievement data.

Review of staff professional development areas of focus as well as short cycle planning goals by grade level (P-2 and 3-5).

Review of invited presenters/performers in support of student well-being, with a culturally relevant, educational and inclusive focus.

Infusion of literacy resources in support of student achievement in reading.

Please list any significant milestones and success stories that the SAC would like to highlight.

Supporting Well-Being of Students.

SAC recognized the efforts to date, including:

Schoolwide Fruit Delivery - every Wednesday morning (shared as a whole school during virtual morning announcements)

Rockets team- students leading morning announcements and sharing important topics in kid friendly language.

Lunch bunch- student leaders in classrooms with adult lunch monitors

School psychologist – working with 4s and 5s to help teach self regulation skills targeting specific areas to support (regulating emotions, monitoring our own behaviors, persevering, planning ahead, inhibiting impulses, organizing time and space, setting priorities, delaying gratification)

Goals going forward:

-Organize workshops for students- looking to partner with IWK and school psychologist (anxiety, stress management, social media, peer relationships)

-Hold a parent night focused on supporting students as a team

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).
